

- 
- A scatter plot showing various clusters of data points in different colors. The legend in the top right corner identifies the categories: SurroundingEnvironment (blue), Normal (orange), HardwareFault (green), ParamViolation (red), RegulationViolation (purple), CommunicationIssue (brown), and SoftwareFault (pink). The plot shows several distinct clusters: a large orange cluster in the center, a green cluster at the top, a pink cluster on the left, a red cluster in the lower left, a blue cluster at the bottom, and a brown cluster near the bottom center. There are also smaller clusters of orange, purple, and pink points scattered around the main groups.
- SurroundingEnvironment
 - Normal
 - HardwareFault
 - ParamViolation
 - RegulationViolation
 - CommunicationIssue
 - SoftwareFault
